

1 POTASHNIK: Hello.
2 LEE: BRIAN.
3 POTASHNIK: Hey D'ANGELO.
4 LEE: Hey, listen. We got to do this
5 very quickly.
6 POTASHNIK: Okay.
7 LEE: Because the deal is coming up on, on the, uh,
8 the next, the next item agenda. DON and I discussed
9 this last night and we were discussing the other
10 issues regarding the uh, the deals and everything
11 else on the table and the, the question of, of,
12 of, of fairness came up.
13 POTASHNIK: Of what?
14 LEE: I said the issue of fairness. Just hear me.
15 We're not going to debate it 'cuz we got, it's the
16 next issue up. And he asked me had I talked back
17 to you and I said no, let me run in and talk to
18 BRIAN. And talk about the issue. The, the, the
19 deal on the, uh, the Walker deal is that the deals
20 were already signed, sealed and delivered without
21 the Walker Decree in it, correct?
22 POTASHNIK: Correct.
23 LEE: Your deals were already done. And for that
24 not for, to put it back in right now, it would kind of

1 throw off the pro formas, right?

2 POTASHNIK: Right.

3 LEE: It would not, it would not be a, a, a
4 deal that would yield the returns and so forth
5 and so on.

6 POTASHNIK: Right. Because it was our
7 understanding, and he can talk to JERRY about it,
8 because KAREN SCHAFFNER told us that once the
9 Walker Requirement went away, that we would not
10 be, it would not be imposed on our project.

11 LEE: And now, she's sayin'

12 POTASHNIK: It did go away but it did not get
13 removed out of the HFC Charter.

14 LEE: Hold on, hold on, hold on. The councilman's
15 here. Hold on. (UI)...

16 LEE is talking to someone in the background.

17 LEE: Okay, all right. I'll let him, I'll let him
18 know. Hello?

19 POTASHNIK: Yeah.

20 LEE: BRIAN.

21 POTASHNIK: Yes.

22 LEE: Can you hear me?

23 POTASHNIK: Yes.

24 LEE: BRIAN, can you hear me?

25

1 POTASHNIK: Yes, yeah, can you hear me? Hello.

2 Hello.

3 LEE: BRIAN.

4 POTASHNIK: Yeah.

5 LEE: I, I, I must have lost you.
